ISSN 00857-3840

Introduction

Recently, the Union for International Cancer Control (UICC) has announced a new campaign for World Cancer Day. The new theme 2025-2027, “United by Unique”, places people at the centre of care and explores new ways of making a difference. Siriraj Cancer Center, as a collaborative part of healthcare team in the Faculty of Medicine Siriraj Hospital who fight for patients with cancer, also share the UICC’s passion to connect and encourage any cancer community in its effort to reduce the global cancer burden. We would like to promote equity and ensure that cancer control remains a priority on the global health and development agenda.

This year our team still worked very hard to deliver the updated information for the 56th Annual Report of Siriraj Cancer Registry. The robust teamwork and support from all staff in Siriraj Cancer Center as well as our consultants from departments and faculty made this report complete and achieving the international standard. In 2024, Siriraj Hospital served 3,168,221 out-patient visits, 4.9% increasing from last year. Among those patients, 7,251 cases were new patients with cancer, 5.4% increasing from last year.

I would like to thank every support from the Medical Record Service, Medical Information Technology Service, Department of Pathology, Clinical Pathology, Microbiology, Immunology, Radiology, Surgery, Medicine, Orthopedic Surgery, Ophthalmology, Oto-rhino-laryngology, Pediatrics, Obstetrics and Gynecology, for kindly providing us with the constructive data and information. Thank you members of the Siriraj Cancer Center Organization Committee and all staffs in Siriraj Cancer Center who dedicate for this trustworthy accomplishment. It would be very grateful if any part of the information in this report could be used for improving the quality of service as well as the quality of life for our cancer patients.

Assoc. Prof. Vitoon Chinswangwatanakul MD, Ph.D.

Chairman of Siriraj Cancer Center

Faculty of Medicine Siriraj Hospital, Mahidol University
